RECTRIX AVIATION EARNS ARGUS PLATINUM RATING FOR CHARTER OPERATIONS

HYANNIS, MA—June 4, 2010 Rectrix Aviation, Inc. announced today the achievement of an ARGUS Platinum rating for its Charter Operations.

The prestigious Platinum rating is ARGUS' highest level of safety ratings, and is awarded only to those air charter operators who have demonstrated successful implementation of industry best safety practices relative to their operations and maintenance.

Platinum rated companies must have a functioning Safety Management System, a clear and workable Emergency Response Plan, and appropriate written standards, implementation, and records for all major aspects of operations and maintenance.

As of May 2010, ARGUS currently has
81 Platinum Rated Charter Operators
27 Gold Plus Rated Charter Operators
297 Gold Rated Charter Operators

The ARGUS Platinum Rating comes in compliment to Rectrix Aviation's International Standard of Business Aircraft Operations (IS-BAO) registration. This recent recognition for Rectrix follows the acquisition of New World Jet Corporation in June 2009. Rectrix Aviation, Inc. has operated nearly every type business jet from the Sikorsky S-76 to Citation Jet to Global Express and has worldwide authorizations including North Atlantic, Central Pacific, and North Pacific. Rectrix also operates world-class FBOs in Hyannis, MA and Sarasota, FL.
